Food of the highest standard for your special day

AT CARNEGIE CONFERENCE
CENTRE WE TAKE GREAT PRIDE
IN PROVIDING HIGH-QUALITY
FOOD FOR YOUR GUESTS.

We always endeavour to use only the freshest locally sourced products available: local suppliers such as Hendersons for our meat and Woods for our vegetables. By using local suppliers we put a bit of Fife back into our cuisine.

As well as producing traditional Scottish and British cuisine, our chefs relish the challenge of creating dishes from around the world. In fact, we welcome suggestions from our clients for recipe suggestions. Our desserts cover all aspects for sweet lovers. From fresh fruit platters to cheesecakes and mousses, our chefs love creating those traditional old favourites; such as Spotted Dick with 'proper' custard and bread and butter pudding.

With sufficient notice, you can have most things that you ask for which might be a specific food product, or a special wine – just ask and we'll probably say, "yes, can-do!"

“The meal was the best we have had at any wedding — and these comments came from every guest we spoke with during the evening. We'll have no hesitation in recommending Carnegie Conference Centre for future weddings and events.”

“Having a hotel right next door meant that our guests didn't have far to go after our reception — fantastic!”

Convenient hotel accommodation – just a rose's throw away

While the Carnegie wedding venue in Fife is conveniently located for guests coming from all over Scotland, some of your guests may want to stay overnight.

The Holiday Inn Express, part of the award-winning Inter Continental Hotel Group offers fantastic guest facilities. All the rooms are en suite with satellite TV and free wi-fi.

Easy for your guests to get to exciting to explore

“Choosing Carnegie was easy for us due to its central location. We had a lovely walk in the Abbey Gardens the next day.”

Carnegie Conference Centre is situated just over the famous Forth Rail Bridge and the Forth Road Bridge. We are well connected to the major transport hubs, 20 minutes from Edinburgh International Airport and 20 minutes from Inverkeithing station. Its location has the best of both worlds. It's less than an hour's drive from the shops and sights of the major cities Edinburgh and Glasgow. And it's on the doorstep to the stunning scenery of the Kingdom of Fife.

The Centre is located on the outskirts of the historic town of Dunfermline, just off the M90. Dunfermline is the ancient capital of Scotland, the burial home of many of the country's monarch's, including Robert the Bruce and Saint Margaret.
